HOW GREAT IS FAR NORTH QUEENSLAND!

For over a decade, Tropical Meltdown has been Cairns' homegrown celebration of burnout culture — a one-day tyre-slaying showdown that brings the best of the north together on one of the rowdiest pads in the country. From seasoned pros to rising local legends, Tropical Meltdown has earned its rep as a proving ground for FNQ's most dedicated drivers and toughest machines.

Set in the heart of the tropics at Cairns International Speedway, this event is pure FNQ energy: raw, loud, and impossible to miss. Whether you're in the thick of the smoke or trackside with your crew, Tropical Meltdown is the kind of day that stays with you long after the tyres have cooled.

There's no camping on-site, so make the most of it by locking in your accommodation early, and treat yourself to a proper weekend in paradise. From Cairns' buzzing bars and beaches to the reef, rainforest, and everything in between, Far North Queensland is the ultimate destination for motorsport fans who like their thrills with a side of tropical escape.
