# WELCOME TO **TROPICAL MELTDOWN**

For over a decade, **TROPICAL MELTDOWN** has been Cairns' homegrown celebration of burnout culture — a one-day tyre-slaying showdown that brings the best of the north together on one of the rowdiest pads in the country.

From seasoned pros to rising local legends chasing over \$25,000 in prize money, a shot at glory, and a spot in the legendary Summernats Pro Burnout Series, Tropical Meltdown has earned its rep as a proving ground for FNQ's most dedicated drivers and toughest machines. And it doesn't stop there. We've got Skid Row chaos, the Street Machine VIP Park-Up, live music, cold drinks, tasty eats, kids zone, and more!

We owe it all to the crew who keep this monster running, from pit lane legends to car park commandos. If you see a staff member, give 'em a nod or a thanks — they're here to keep you safe and make sure your weekend's a ripper.

Now flick through, mark your must-sees, and get ready to send it.

**TROPICAL MELTDOWN** — It's one massive day of non-stop action.

**LET'S GO!**

long after the tyres have cooled.
